Appl. No. 09/579,789
Reply to Office action of March 8,2005

Amdt. Dated: May 31, 2005
Attorney Docket Number: DYM00-06CC

In the Specification:

Please amend the specification as follows:

Please replace paragraph [0064] with the following amended paragraph:

[0064]   When the consumer **10** is in electronic communication with one of the camera providers through the electronic network **40** for the offering of the camera **5** and the commitment of the consumer **10** for the purchase of the requisite number of image reproduction or prints **35** to create the contract **12**, the consumer **10** creates provides certain user information **14** that establishes a user profile. During the sign up process and throughout the use of the camera **5** when the camera **5** is connected to communicate with the electronic network **40** and when orders of reproductions by the consumer **10**, a consumer profile is built up and transferred to a customer database **27** that is connected to the electronic network **40**. The user information **14** that is used to create the consumer profile as retained by the customer database **27** advantageously may include one or more of the following:

     1. Name.

     2. Customer identification code.

     3. Mailing Address.
